

# Anlage 3.6

## Nach NHK 2000 ermittelte Herstellungskosten für Typ 12 Schulen

| Ausstattungsstandard Beträge in EUR |          |          |         |
|-------------------------------------|----------|----------|---------|
| Baujahre                            | einfach  | mittel   | gehoben |
| 1970                                | 1.000,00 | 1.135,00 |         |
| 1971                                | 1.003,93 | 1.139,64 |         |
| 1972                                | 1.007,86 | 1.144,29 |         |
| 1973                                | 1.011,79 | 1.148,93 |         |
| 1974                                | 1.015,71 | 1.153,57 |         |
| 1975                                | 1.019,64 | 1.158,21 |         |
| 1976                                | 1.023,57 | 1.162,86 |         |
| 1977                                | 1.027,50 | 1.167,50 |         |
| 1978                                | 1.031,43 | 1.172,14 |         |
| 1979                                | 1.035,36 | 1.176,79 |         |
| 1980                                | 1.039,29 | 1.181,43 |         |
| 1981                                | 1.043,21 | 1.186,07 |         |
| 1982                                | 1.047,14 | 1.190,71 |         |
| 1983                                | 1.051,07 | 1.195,36 |         |
| 1984                                | 1.055,00 | 1.200,00 |         |
| 1985                                |          |          |         |
| 1986                                |          |          |         |
| 1987                                |          |          |         |
| 1988                                |          |          |         |
| 1989                                |          |          |         |
| 1990                                |          |          |         |
| 1991                                |          |          |         |
| 1992                                |          |          |         |
| 1993                                |          |          |         |
| 1994                                |          |          |         |
| 1995                                |          |          |         |
| 1996                                |          |          |         |
|                                     |          |          |         |
|                                     |          |          |         |
|                                     |          |          |         |
