

Technical drawing of a bridge structure, showing a plan view and a cross-section. The plan view includes dimensions for the bridge deck, abutments, and piers, as well as stationing and elevation data. The cross-section shows the bridge's profile, including the deck, piers, and abutments, with dimensions for height and width. The drawing is labeled with 'BR 012' and 'BR 013'.

The drawing is a technical plan view of a road layout. It shows a central section labeled 'Mulde' (ditch) with a cross-section view labeled 'Querschnitt' (cross-section). The road is divided into sections by dashed lines, with labels for different road types: 'Landwirtschaftliche Straße' (agricultural road), 'Landesstraße' (state road), and 'Landesstraße' (state road). The drawing includes various road markings, dimensions, and labels for different road types. It also features a scale bar and a north arrow.
